

Health Improvement Fund

The Leeds Fast Track City Partnership is inviting bids for an exciting new Health Improvement Fund. Successful project proposals will bolster the city's ambition to end HIV, Viral Hepatitis and Tuberculosis by 2030.

Funding can be used to:

- Enhance Testing and Treatment
- Reduce New Infections
- Combat Stigma and Discrimination
- Support Community-Led Responses
- Promote Integrated Health Services
- Foster Innovation

For more information and to request an application pack, contact:

Fast-Track-City@leeds.gov.uk

Applications to be submitted by
3rd July 2026
